RUSH ON THE SUBURBAN.

All Cars in Service and Traffic is Great.

Manager Jenkins of the Suburban road oan bear witness to the truth of the adage STREET CAR TRACKS CLEARED. that it is an iii wind that blows nobody emergency rate recently put in by the good. In the last few days the strike, which has been the source of loss or at least serious discomfort to nearly every business man or woman in the city, has business man or woman in the city, has proved to be a perfect boundary for the road he represents, the profits which have been taken in in this time being probably don-taken in in this time being probably don-taken in the city, has Street Commissioner Verrelmann's force was again put to work early restorated morring temporals. his or treble wing the road assumity pays.

Every our on the system has been precised into service rince the sertlement, and the patronage has far exceeded that given to the line in big events like the Velley Propliet's parade or the Lewey contration. Moreover, it is not to a few hourse. over, it is not in a few hours alone that this patronage exists each day, but from the first car in the marning to the last car at night the crowd continues.

Nearly every car which leaves the loop on Fourth street has a full load before it reaches Seventh street, irrespective of the hour of the day, and nearly every car which leaves De Hodhamont completes its the trip is completed, whether the cur is going east or west, the register generally shows that the car has been filled, empiled and filled again at least once in the trip. Yesterday the number of cars running on the main line alone was more than sixty. Every car on the lines running to Webster and Kirkwood were treased into section. and Kirkwood were pressed into service, giving employment to every motorman and onductor in the employ of the company. These fed cars are now patronized by many persons who use them as a means of getng home in a roundabout way. People living on Lackete, Market, Lindell and other streets parallel to them anywhere be-tween Grand avenue and King's Highway now take the red cars from downtown and get off at their streets, walking or riding in some bus the rest of the way. Feeders for this line exist on nearly all the streets

it crosses in the shape of some of the in-formal conveyances which have grown fa-miliar to every one in the progress of the In Cabanne and the West End generally, the bus system does quite a thriving busi-ness on the principal streets as an adjunct to the Suburban and as the usual fare charged on these conveyances is 10 or 15

cents, many a person has to pay 15 or 29 cents to get down town if they desire to ride all the way. Yesterday, in spite of the inclement weather, a crowd attended the mass by way of the Suburban brach running north on Sarah street which was large enough to fairly swamp the cars, packing them to their utmost capacity. The public still dreads to ride in the Transit Company's lines on account of the actions of the mobs
